# LA VENTANA CLASSIC AND KITEXPO DEMO EVENT JAN 22-25, 2009

## THE CAUSE:

This year we raised over \$12,000 USD which painted and built an 8-stall bano for the El Sargento Primary School and installed new playground equipment for the La Ventana Kindergarten. This year our goal is to raise over \$15,000 USD to help pay for further improvements the local schools. In 2009, our charity projects include:

- 1) Plant trees at the El Sargento primary school.
- 2) Build an outdoor shaded patio performance area at the La Ventana Primary School.
- 3) Revamp the examination room at the local health center

## THE SCHEDULE:

ALL EVENTS and the KiteXpo will be set up in front of Baja Joe's/Ventana Windsports unless otherwise stated. ALL schedules subject to change based on the wind!!! At the Skippers meeting on Jan 21 we will announce the final schedule – for all other changes see the HQ tent at The KiteXpo.

## THE KITEXPO DEMO:

Once again the LV Classic gets even better with an expo of the latest gear in kiting and SUP boards organized by The Kiteboarder Magazine. Every day, the top manufacturers will offer free gear demos to anyone of intermediate kiting ability. Riders wishing to demo must sign a waiver and provide credit card information to receive a demo bracelet. In addition to the Expo, there will be food, raffles, music and dancers throughout the day at the beverage tent area. This is also the area where pros will be holding any clinics.
